What a fantastic week this has been!

On Tuesday and Wednesday, we were treated to the Class 6 and 7 production of Alice, The Musical. This was a fabulous performance which really transported the audience to Wonderland. Well done to all the children and staff for all their hard work in putting on this truly memorable production.

Thursday saw the sun finally shine upon us as we held our postponed Sports Day. This was a glorious day with Pre School enjoying a fantastic morning and the rest of the school showing off their sporting prowess in the afternoon. Huge congratulations to Patrick House who were the overall winners and well done to all the children for their sporting attitude throughout.

Then, on Friday, Class 1 went on a trip on the steam trains at The Bluebell Railway and we held our informal music concert with some amazing musical performances.

The week ended with the Summer Fayre on Saturday which was another lovely event and extremely well attended. We would like to say a huge thank you to all the parents who gave up their time to help with the Fayre.

This week, you will also have received your child's end of year report which provides you with a summary of their achievements and progress this year. These give a flavour of just what a positive year it has been for the children in so many ways.
