

Press Release

Warlingham Park School joins the Independent Schools Association (ISA)

Warlingham Park School is delighted to announce its membership of the Independent Schools Association.

ISA recognises schools that provide high-quality and personalised learning for their pupils. Schools within the association encourage their pupils to make the most of their talents, building confidence through academic achievement and offering a wide range of extra-curricular opportunities.

Furthermore, the ISA provides a valuable resource network for teachers, as well as organizing competitions and other events at regional and national level. The school is looking forward to working with ISA as it maps out future developments of its already wide and varied curriculum.

Head Teacher, Mr Mike Donald says, "We are justly proud of our membership and the formal recognition of the quality of education provided at the school."

Note to editors: Warlingham Park School is a Co-Educational Nursery, Pre-School and Preparatory school situated on the Kent/Surrey border close to Selsdon, South Croydon, Westerham, Caterham and Oxted . Set in a quiet location with extensive playing fields and spacious facilities, it provides a broad and well-balanced education for its pupils focusing on bringing out the very best in their individual talent. It has a uniquely warm, supportive environment, high academic standards, and a programme of extra-curricular activities with wrap around care.
